## Chairman's Message

“It is indeed a great honour and responsibility to chair the School Committee of SVM English Medium School. As rightly said by Mr. Nelson Mandela “Education is the most powerful weapon which you can use to change the world. We at Sharadashram Vidyamandir School wish to align ourselves with the same by giving the child a new horizon in education.

Students today have an unquenchable thirst to seek knowledge that cannot be satiated by traditional methods of imparting education like rote learning and passive listening. With the paradigm shift in the field of education, children at SVM will be provided with opportunities and situations that facilitate them to exhibit their hidden potential to the fullest.

The Board of Governing Council, the Headmistress, and the school management remain committed to this endeavor.”

## CURRICULUM :

At SVM International School, we believe that Education should be holistic and lifelong. Our Curriculum is well aligned with the recommendations of CISCE. It incorporates all the elements of academic interests that cater to the challenging requirements of the contemporary and future education needs. We follow a system of continuous evaluation, where students are assessed throughout the academic year rather than relying solely on final examination.

## CELEBRATIONS :

Celebrating events and festivals in school is an integral part of learning and building a strong cultural belief in children. We at SVM International School encourage our students to embrace other traditions and culture just the way they do their own. The events and festivals organised by SVM International school are often celebrated with great pomp and gaiety.

## COMPETITIONS :

Competitions help students to learn about concepts of playing by rules, being fair and the value of giving your best. It builds self confidence and improves skills. To achieve these skills various competitions are conducted.

## SPORTS :

Sports play a critical role in students life. It has a direct connection to a healthy body as it keeps students physically fit and active. It helps in building skills like teamwork, leadership, patience, discipline, learning from failure and sportsmanship. These skills are equally important when it comes to studies and time management.
